*JOIN THE ACTIVITIES for a
day at the farm — EPLEGAARDEN — “The Apple Farm”*

Everyone is welcome: the Whole Family, your Friends, Neighbors...

*APPLES * PUMPKINS * RASPBERRIES FOR PICKING
HAYRIDES * MUSIC * DONUTS AND CIDER*

It all started when Betty and Vern Forest (UW Continuing and Vocational Education) bought the farm and began planting 1000s of apple trees in the 1980s-90s, and added their Norwegian flair. Over the decades, Eplegaarden grew to become a favorite apple and pumpkin destination every fall. Many school kids and family groups gather here for horse-drawn hayrides and hikes up the hillside to pick apples.
